WHAT PEOPLE ARE SAYING:

“Thank you so much for coming out to Legacy High School the past two days. From the comments, notes and ah-ha's I have received from my students, you did an AMAZING job!”

Coach Martinson
- Driver Education Teacher

“Before I went through the Zero Teen Fatalities program and Driver’s Edge I had a very serious crash with some friends of mine. I saw firsthand how easily driving can take someone’s life and how big of a responsibility driving is. I never wanted to get behind the wheel again, but going through the Zero Teen Fatalities program and Driver’s Edge made me a more confident driver and made me believe in myself.”

- **Wooster High School Senior**
